Radar reflector
Dinghy
Life raft
Cockpit pillows
Cockpit table
Bath ladder

Takelage

Steering wheel
Electric windlass 1500w

Sails

Full battend mainsail
Furling genua

Manufacturer's description

The BALI CATAMARANS brand has set itself the task of creating the largest possible open or if desired closed living space so that owners can use their boat without restriction, alone or with the family, in both southern and northern sailing areas! The BALI 4.6 offers approximately 20% more usable space than competitors in the same category.

The BALI concept, consisting of a salon that can be hermetically sealed with a swing door, a huge cockpit in the foredeck area instead of a net, and a flybridge with sun deck, is unique on the market. The forward cockpit is accessible through a door from the saloon

Ausstattungsliste

BALI 4.6 equipped with 2 Yanmar 57 HP engines
5 cabin version (2 starboard + 3 portside) - 4 toilets

PACK EXCELLENCE

Ecological pack including fresh water purifying filter, 80 amp charger combination - 12V (or 24V) / 230V - 2000VA converter, 2 additional 12V – 130 amp utility batteries, Battery controller
